**ATTENTION  
EXTRAORDINARY  
MINISTERS**

**The past two Sundays no one has cleaned up the vessels after 10:00 Mass. Please check the schedule and see if you are to do this. Also check the sign in sheet and if you are replacing someone be sure to see if they have any duties. Please, Please Please try to get here by 10 till the hour. It is hard to try to find someone as the latecomers are entering the church at that time. It is important that if you are not going to be here to find a replacement for yourself. Even if you don't know the person call them anyway and see if they will replace you. Most of the ministers are willing to help out in a pinch.**
